Dear Sirs,

Re: Horsefield (EM08a)

It is with great concern that I note Havant Borough Council has proposed plans for building on the site known as the Horsefield. It is one of the few green areas encompassing a path leading to the sea in Chichester Harbour, either looking east towards Horsham and Brighton or west towards Swanage in Dorset. Nearly all the Hampshire and West Sussex coast has become a built-up area.

I note too, that Havant Borough Council has rewritten Policy 30, which is the policy that governs Chichester Harbour Planning to allow sites to be allocated without meeting the

National Planning exceptional circumstances test. That is totally undemocratic.

The Horsefield certainly is a 'special circumstance' as no evidence has been published to show that it is within the publics' interest to allow development.

It is a much-loved and used area by the residents in Havant and Emsworth.

I would be grateful for an acknowledgement of this letter.

Yours faithfully,
