Sirs

I am very concerned that HBC has allocated the land know as The Horsefield (Site EM08a) into the Local Plan without showing the Local Plan without showing any exceptional circumstances.

Should building on this small site, an area of outstanding beauty, be allowed it will set a precedent for the rest of the adjacent land to be developed which will be a great loss to the area.

Already local services in the area, especially traffic at all times on the A259, are overwhelmed. Any additional housing, without extending public services is both foolish and irresponsible.

I therefore ask that EM08a is removed from the site allocation and the phrase "other than where allocated within this Local Plan or" is removed from Policy 30.
