HAVANT BOROUGH COUNCIL
11 AUG 2026
RECEIVED

[redacted]

8 August 2026

Dear Sir

I am writing to protest in the strongest terms about the proposed development of 90 houses on the field known locally as the Horsefield.

This field is within the Chichester Harbour National Landscape, there are no exceptional circumstances and it is not in the public interest for development to take place.

Development here would be the 'thin end of the wedge' - what would follow.

This plan must be dismissed.

Yours faithfully
