Do you consider the Local Plan is ...
(Please select as appropriate)

	Yes	No
Legally compliant		X
Sound		X

Please give details of why you consider the Building a Better Plan is not legally compliant or is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

The proposed inclusion of 90 houses opposite the Ropemakers just outside the western border of Emsworth contradicts the Levelling-up and Regeneration Act 2023. As this site is within the boundaries of Chichester Harbour National Landscape, HBC are required to not only conserve but actively enhance National Landscapes. Building 90 houses fails to do this. [redacted] It will wreck this landscape. It is also an SSSI for the Brent geese who used to over-winter on this field outside our house.
If this field goes, then it is open season for all developers bordering Chichester Harbour.

Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.
You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Remove the Horsefield site EM08a from the local plan.
