Do you consider the Local Plan is ...

	Yes	No
Legally compliant	X	
Sound		X

Please give details of why you consider the Building a Better Plan is not legally compliant or is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

Unsound for 3 main reasons in my view:
1. There is no firm requirement for developer to actually put in place access by bike, bus or footpath to this site and the road access is limited. Transport improvements must be provided. Asking the developer to "explore opportunites" guarantees nothing at all.
2. Objection on landscape grounds, as close to national park and council report stated "no part of this land be taken forward for growth".
3. Objection on grounds of wastewater capacity has not been demonstrated. Thornham has limited spare capacity. Sewerage cannot be treatable within the time period of the plan.

Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.
You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.
