Do you consider the Local Plan is ...
(Please select as appropriate)

	Yes	No
Legally compliant		X
Sound		X

Please give details of why you consider the Building a Better Plan is not legally compliant o r is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

I consider the allocation of EM08a (The Horsefield) to be unsound and not legally compliant. The site is within the Chichester Harbour National Landscape, where the NPPF gives the landscape the highest status of protection and states that major development should be refused other than in exceptional circumstances and where it can be demonstrated to be in the public interest (NPPF paragraph 190).

I do not believe that the Local Plan has demonstrated that these exceptional circumstances exist, or that the necessary assessment of the need for the development, alternative locations and the effects on the environment and landscape has been properly undertaken before allocating the site. The Council appears to be relying on assessment at a later planning application stage, whereas these matters need to be properly considered in deciding whether the site is appropriate for allocation in the Local Plan.

I am also concerned that EM08a was added very late in the plan-making process, after the 2025 consultation in which it was not included, giving the public little opportunity to consider and comment on this significant change. I therefore consider that the allocation has not been adequately justified or properly tested through the plan-making process.

Please set out the modification(s) you consider necessary to make the Local Plan legally c ompliant and sound, in respect of any legal compliance or soundness matters you have ide ntified above.
You will need to say why each modification will make the Local Plan legally compliant or so und. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Remove Allocation 3 (EM08a – The Horsefield) from the Building a Better Future Plan. This would ensure that the Plan does not allocate major development within the Chichester Harbour National Landscape without the exceptional circumstances and public interest requirements of NPPF paragraph 190 having been properly demonstrated.
