## CTIL Annual Network Update Plans Spreadsheet 2015 - 2016

Telefónica UK Limited has entered into an agreement with Vodafone Limited pursuant to which the two companies plan to jointly operate and manage a single network grid across the UK. These arrangements are overseen by Cornerstone Telecommunications Infrastructure Ltd (CTIL) which is a joint venture company owned by Telefónica UK Limited and Vodafone Limited.

This agreement allows both organisations to pool their basic network infrastructure, while running two, independent, nationwide networks; maximise opportunities to consolidate the number of base stations and significantly reduce the environmental impact of network development.

For any enquiries please contact: Brian Truman, Head of Planning and Community Engagement, CTIL [Brian.Truman@ctil.co.uk](mailto:Brian.Truman@ctil.co.uk)
