

West Bedhampton Residents Association

The key points WBRA(West Bedhampton residents Association) would like to highlight to the developers are key to us all maintaining a good healthy quality of life is a beautiful area for our residents.

Therefore;

1. What do the developers intend to do, to ensure that our residents have a safe walkable routes local are maintained to our beautiful local areas such as Langstone, Broadmarsh and the Mead. Whilst ensuring the look and feel of the natural beauty is maintained.
2. Our next Point is with respect to inspections and surveys, be it that of environmental, ecological, economical, transport or any other evidence based that are required for all to make a balanced judgement. Whilst ensuring that the facts are conducted independently, impartial, comprehensive and transparent for both the council and residents.
3. Our last point is, what steps Bargate are taking into consideration in respect of potential developments laid down in the draft local plan.
