

### PLANNING DEVELOPMENT SERVICES

#### WEEKLY LIST OF PLANNING APPLICATIONS AND APPEALS NO: 31 APPLICATIONS REGISTERED BETWEEN 31 JULY 2023 AND 06 AUGUST 2023

The attached list contains details of applications for planning permission submitted to Havant Borough Council together with details of development proposals in neighbouring Local Authorities upon which the Borough Council's views have been sought. You can view the applications on the Council's website <u>www.havant.gov.uk</u> and follow the link to Planning Applications on the home page.

If you would like to check on the progress of an application email: <a href="mailto:planning.development@havant.gov.uk">planning.development@havant.gov.uk</a>

Anyone who wishes to make representations should use the online public access service or write to the case officer, to the address below. Representations must be received no later than 14 days from the date this Weekly List was published (or the representations expiry date on the application details on the website, whichever is the later). We will only notify you in writing of the Council's decision if you have made comments in writing or by e-mail about the application. Please quote the application reference number.

All written representations received by the above date will be taken into account. The Council's Committees are held in public and although the name of a writer is not normally disclosed at a meeting, in many cases the substance of the representations themselves serves to identify the writer. Furthermore, all objections and representations will become available for public inspection. No action can therefore be taken on letters indicating that they are to be dealt with in confidence and no reliance should be placed on having made representations as to a similar application in the past.

The Council posts this summary each week on the Havant Borough Council website. Individuals can subscribe to receive the weekly list by registering for Email Alerts and choosing 'Weekly Planning List'.

The Council operates a deputation scheme enabling individuals, including applicants, to speak at Committee meetings when a decision is being taken. If you wish to arrange this, please contact the case officer responsible for the application by telephoning the Customer Service Centre on 023 9244 6015.

Please comment using the links on the website https://planningpublicaccess.havant.gov.uk/online-applications/

Alternatively, written representations can be addressed to:

Proposal Proposed redesign of entrance area of Brambles House including installation of powder coated steel structure at the point where the North and East Elevations meet, rope chains drainage design in place of traditional downpipes, new aluminium box frame glazing system to provide opening and front door that is centred in reception space. Redesign of North Elevation loading area including increasing number of roller shutters from 1 to 5 by retaining existing central shutter and adding 2 new roller shutter systems either side of existing. Installation of new glazing system to existing opening above entrance structure on North Elevation and on left of East Elevation. Upper facade to be repainted in several variations of grey bands, lower facade to be infilled in areas of Glazing/M&E removal and painted in dark matt grey finish. New external lighting to Brambles House. New external signage to wall next to gate of site and to East Elevation. Existing entrance on North Elevation to be partially blocked, new glazing and door system to be installed as main entrance is proposed to be relocated further to the left and more centre to the reception. New external doors to all warehouse openings. Structural work to take place at entrance of building with installation of new canopy. The new loading bay ramp to have a concrete base with other structural works to the interior of the building. Replacement roof and solar panels.
