

OLD BEDHAMPTON

Havant Borough Council is running a consultation on your local conservation area - make sure you have your say...

Havant Borough Council is undertaking an official review of the Old Bedhampton conservation area, which includes invaluable feedback from the local community. With a strong architectural focus, key changes recommended in the review are:

- The inclusion of Bidbury Mead into the conservation area
- The inclusion of the Old School and its surroundings into the conservation area
- The need for future research and consultation on the land east of the Mill Complex
- To find out more information and how to respond to the consultation, visit www.havant.gov.uk/oldbedhampton or come along to the drop in session (details below)

This consultation runs from Monday 4 February until 5pm on Friday 29 March 2019. If you have any queries, there is a drop-in session at the Public Service Plaza on Wednesday 6 March from 5pm to 7pm where you can speak to a Conservation Officer.
