News in brief

Register to vote
Each year every household in the borough is sent a Household Enquiry Form to check the right people are registered to vote, and you will soon be receiving yours.
It may look like a piece of junk mail, but DON’T ignore it. BY LAW, you have to respond – even if it shows the correct information. If you continue to ignore it and all the reminders you could be removed from the electoral register and be fined up to £1,000.
For further guidance please phone the Electoral Services Team on 023 9244 6225/6226.

Step back in time
The Friends of Havant Museum have produced a collection of history booklets about areas in the borough.
There are more than 100 titles available to read that can be simply downloaded for free at: www.thespring.co.uk/heritage/local-history-booklets/
Alternatively you can order and purchase copies directly from The Spring, East Street, Havant.

Here’s a tip …
During the summer, until 30 September, Household Waste Recycling Centres (HWRCs) are open seven days a week between 9am and 6pm. From 1 October, the winter opening times will be 9am - 4pm.
More information on where your nearest HWRC is, together with what you can take there, can be found at www.hants.gov.uk/recycling

Changes to your data rights
On 25 May the General Data Protection Regulation (GDPR) came into force.

HAVANT BOROUGH COMMUNITY LOTTERY

Celebrating three months of the Havant Borough Community Lottery
In April we launched the Havant Borough Community Lottery, a new online lottery to support local good causes which also gives you the chance to win up to £25,000.
Since the launch, just three months ago, more than 11,000 tickets have been sold raising nearly £6,000 for registered good causes.
The draw is weekly with the jackpot prize for matching a sequence of six numbers. Other prizes are £2,000, £250, £25 or three free tickets.
Tickets cost just £1 with 60p going towards local charities and good causes.
Any charity or community group within the borough can apply to become a good cause and join the 52 other groups already benefiting from the lottery.

For more information about joining the lottery as a good cause, or if you would like to buy your tickets please go to: www.havantlottery.co.uk
or call 023 9319 0011
Signing up is quick and easy.
WHERE DOES MY COUNCIL TAX GO?

Although Havant Borough Council collects Council Tax from you, we only keep 12.09% of the amount you pay.

We work as efficiently as possible and save costs wherever possible – the cost of our management team is shared with East Hampshire District Council. You can find more information on our web page: www.havant.gov.uk/council-tax

Discount available
If you are the only adult living in a property you could be entitled to a 25% discount on your Council Tax. This reduction is known as a single-person discount.

Discounts can also apply to some people – for example students, apprentices, student nurses, school leavers and certain carers.

If you think you may be entitled to a discount you can complete the online form at www.havant.gov.uk/council-tax-discounts

We will then advise you if you qualify for a discount.

Once receiving this discount - you will need to inform us immediately should your circumstances change.

The above web page also provides contact details and a very useful online form for notifying us of changes.

LOCAL PLAN UPDATE

Where are we now?
We would like to take this opportunity to thank all who participated in the Draft Local Plan consultation earlier this year. More than 500 responses were received, and we have now considered and responded to each one.

Your responses and involvement will continue to shape the future of the borough.

If you’d like to view any of the comments and stay informed about the Draft Local Plan, visit www.havant.gov.uk/localplan

While you’re on the website you can sign up for email updates.

Reservoir plans moving forward
Plans by Portsmouth Water to build a reservoir in Havant Thicket are moving forward.

Once completed, the reservoir will collect winter rainwater emerging from the Havant and Bedhampton springs. This will be pumped via a new pipeline through Leigh Park to the reservoir. The water can then be stored and used in times of need, for example, in a drought.

More information can be found at: www.portsmouthwater.co.uk/havant-thicket-reservoir
On the verge of getting a ticket

Driving over or parking on a grass verge is a widespread issue in the borough. Parking on verges can also obstruct pedestrians from using the footway and be hazardous to other road users, especially if vehicles obstruct entrances or park on a bend or junction.

Grass verges form part of the public highway, therefore if yellow lines are painted on the road and you park your vehicle on the grass verge you may be issued with a Penalty Charge Notice (PCN).

Work starts soon

The proposed design to improve the roundabout at Harts Farm Way and Southmoor Lane, Havant, has now been approved by the highway authority.

The proposal will ease traffic flow at the junction and improve safety.

Havant Borough Council together with Hampshire County Council will be working with major businesses in the area to ensure they are informed about the work planned.

The proposed design will be available to view in early July.

To find out when this will take place sign up to our email alerts at www.havant.gov.uk

Cutting it fine

Now the summer is here our grass cutting teams are out in force. With more than 1.4 million square metres of grass in the borough we aim to ensure all areas are taken care of. To find out which areas we will be working in each week visit: Facebook.com/HavantBoroughCouncil

GET RECYCLING RIGHT

Over the past 12 months (April 2017 - March 2018) you recycled 7,742 tonnes, the equivalent weight of 612 London buses, through your home recycling bins. This is good, but there are items appearing in these bins which can’t be recycled - known as recycling contamination.

These are the most common things that are placed in the recycling bin, that are NOT recyclable

Plastic packaging

If plastic is in the shape of a bottle it can go in your recycling bin, without the lid.

If in doubt - leave it out!

Gift wrap

Often layered with foil and plastic. This cannot be recycled

Shredded paper

This can be added to your compost bin or put in your rubbish bin

Drink cartons

For a full list of what you can and can’t put in your green lidded bin visit: www.havant.gov.uk/recycling

It saves money – less transporting, sorting and disposing of items

It helps us recycle as much as possible – putting one incorrect or dirty item in your bin may mean that we are not able to recycle any of your other items

It’s better for the environment

It ensures that your recycling is put to good use to make new products.
During the course of the summer, the council will be supporting a campaign to recruit new councillors to the borough. This will be followed by an event in the autumn to meet existing councillors and ask questions face-to-face. Keep an eye out for the campaign and see if you have what it takes.

If you would like to speak to someone about any local issues you may have please contact your local councillor on the details below or by writing to them c/o Public Service Plaza, Civic Centre Road, Havant, PO9 2AX.

If you want to give something back to your local community? Do you feel strongly about something in the borough that needs addressing? There’s a way you could make a big difference in your area and help shape the work of your local council – by becoming a councillor.

People think they may not be eligible to become a councillor, but that is not the case. Anyone can be a councillor as long as they:

- Are British, from the Commonwealth or the EU
- Are at least 18 years old
- Are registered to vote in the area or have lived/worked/owned property there for a year

Working full or part-time is not a barrier to becoming a councillor; in fact, you are allowed reasonable time off work for this important role. Qualifications are also not essential – just an ability to contribute informed opinions that will benefit the borough. Skills gained through volunteering or work with local community groups are just as valuable as a qualification. A dedicated support team and an allowance are also in place to support councillors in their work.

If you can’t wait until the campaign is launched contact the Democratic Services Team on: 023 9244 6234 or email democraticservices@havant.gov.uk

A LASTING LEGACY

During his term, this year’s Mayor wants to promote community cohesion and is keen to celebrate all the achievements within the borough’s community, while representing the authority at local, civic and charitable events.

As is tradition, the new Mayor has chosen the charities he will support as part of the Mayor’s Charity Appeal. Rowans Hospice and Riverside School are his chosen charities and will benefit from funds raised.

As we welcome our new Mayor we say farewell to another, Councillor Elaine Shimbart’s term as Mayor has come to an end following a successful year attending hundreds of engagements across the borough.

During her mayoral year, she successfully raised in excess of £13,500 for her chosen charities. Home Start Havant and Fitzroy Waterlooville will receive £6,000 each with the remaining funds being distributed to local charitable causes.

Cllr Shimbart was devoted to engaging with the community online. With help from her consort and husband, Councillor Gerald Shimbart, she regularly posted updates to the Mayor of Havant Facebook page after every engagement.

The former Mayor’s impressive use of social media is testament to how the traditional role of the Mayor has changed and is a practice our new Mayor is keen to continue.

Peter ‘Wades’ in as new Mayor!

In 2018, the Mayor of Havant remains a pivotal role within Havant Borough Council that combines civic and statutory responsibilities.

A special meeting called Mayor Making is held to elect a new mayor in May each year. This year, Councillor Peter Wade of Waterloo ward was elected as the 45th Mayor of Havant.

FLYING HIGH FOR 27 YEARS

Hayling Island has been awarded the international Blue Flag for the 27th consecutive year.

The prestigious Blue Flag recognises clean and safe stretches of coastline which promote environmental education and offer excellent visitor facilities.

The stretch of Hayling’s beach - which runs from the funfair to the border of the golf club - has been awarded the flag by the ‘Keep Britain Tidy’ campaign.

To qualify for the Blue Flag award, we must provide first aid facilities, clean toilets, recycling facilities and have access for disabled visitors.

Water is also continuously tested during the summer season to check that it meets the strict bathing water quality standards.

Only two other UK beaches have held the award longer – Sandbanks in Poole and Oddicombe in Torbay, each have held it since 1987.

Further information about the Blue Flag award can be found at: www.keepbritaintidy.org

It's Electrifying

Havant Borough Council is set to sign a deal with Charge-Point Services to install rapid (48kW) chargers in council-owned car parks for electric vehicles.

These charging outlets will be part of the Genie-point network, the fastest expanding rapid charging network across the UK.

Once installed, residents, visitors and businesses will be able to charge their electric vehicles in convenient central locations in Havant, Emsworth and Hayling Island.

Overall costs of running an electric car are much lower than conventional vehicles, and there are environmental benefits too.

Find out about government grants towards the cost of buying an electric vehicle: www.gov.uk/plug-in-car-van-grants

Click It – Check It

Local police officers have launched a campaign "DON'T GET FOBBED OFF, CLICK IT, CHECK IT" encouraging vehicle owners to check their door handle even after they have locked their car using a key fob.

Following checks on parked vehicles across the borough it was found that more than 60 vehicles were left unsecured out of approximately 250.

Don’t hesitate to contact the police to report suspicious activity, using the 101 system if it is not an emergency or 999 if someone is breaking into a car at the time of a call or someone’s life is in danger.

You can also report anonymously via CrimeStoppers on 0800 555 111.

HOUSING FOR YOU

Homes are one of our most basic needs but many people in the UK are unable to access an affordable, secure and suitable home. As a consequence, communities are coming together to ensure the homes they feel are needed are built in their community.

These schemes give people the chance to influence development.

Anyone local to an area can be involved in setting up a community led housing group.

Interested in finding out more?

Catherine Kirkham, a community housing officer, provides guidance and technical support to groups throughout the process. Catherine can help you choose the right project for your community and give you the tools to make well informed choices.

You can contact Catherine on 01962 857387 or email: catherine.kirkham@actionhampshire.org

SERVING YOU QUESTIONNAIRE

Serving You has been delivered to households in Havant since 1995. It is currently distributed three times a year. To understand our readers better and produce the best possible magazine in a way that our residents want to receive it, we would like to invite you to complete a short survey. Please go online to complete your survey by 31 August. It should take no more than a minute of your time.

www.havant.gov.uk/current-consultations

If you do not have access to the internet then please complete and return the questionnaire below by post or in person to: Editor, Serving You, Havant Borough Council, Public Service Plaza, Civic Centre Road, Havant, PO9 2AX.

As a way of saying ‘thank you’ include your contact details at the end of the survey and you will be entered into a free prize draw to win shopping vouchers worth £30.

By completing this form you agree to participate in the survey and to us processing your personal data as outlined. The information will not be used in a manner which would identify you. Your address/contact details, if given, will be removed from the data as soon as the initial analysis is complete. You do not have to participate and if you do, you do not have to answer any survey questions you would rather not.

SUMMER IS COMING!
So time to get in shape
Are you looking to get fit and
active and improve your
well-being this year? Well, we
have plenty of offers this
summer and there are lots of
ways everyone can get active
with us at Horizon Leisure
Centres!

• Platinum Membership starts
from £26.95 per month and
include use of award winning
facilities!

• A Toning Table Studio has
recently opened at Havant Gym.
It offers the opportunity for an
alternative way to exercise for
those that are inactive, immobile
or struggling with joint, muscular
and injury pains.

• More exercise classes at Havant
& Waterlooville Leisure Centres.
We have updated our exercise
class timetable giving you more
choice from group fitness to
wellbeing, aqua fitness and gym
based classes. We have a great
exercise timetable to help you
find the best workout for you.

There are lots of fun and
educational activities for
children and the family this
summer at both Leisure Centres...
come rain or shine.

• Oceans of Play (Havant) and
World of Play (Waterlooville)
are two of the largest indoor
children’s play areas in the
south. Go for a play and have
some food, the children will love
it.

• Work out in the Gyms
Teenagers can catch the fitness
bug by working out and having
fun with friends in one of the
two large gyms at the daily teen
workout sessions – Mums and
Dads can work out too!

• Splash around in the pools
There is an exciting holiday
swim timetable, which includes
regular fun inflatable sessions.

• Busy working?
Why not let the kids come to the
school holiday club where they
can swim, play on the bouncy
castle, craft, cook and do much
more!

Horizon continues to provide facilities
and activities that are accessible to all
the community to make life better.
Both Leisure Centres are dedicated to
providing a wide range of sporting
and leisure facilities and activities for
everyone.

Howard Broad, Chief Executive of
Horizon said: “The refurbishment
works will significantly improve the
standard of facilities and provide for a
more improved customer and staff
experience. Since the Centre was
successfully extended in 2015 it has
always been our plan to undertake
these further improvements which
will continue to help ‘making lives
better’ for our customers and the
community”.

Facility Improvements
Some major refurbishment works are
taking place at the Waterlooville Leisure
Centre. The works include a
refurbishment of the male and
female dry-side changing rooms and
public toilets as well as the main pool
spectator area where there will be
new seating, flooring and safety
railings.

The works will also provide extended
office space and a staff changing and
social room.
