PART A – GENERAL PRINCIPLES

1 Licensing Objectives

- 1.1 When dealing with licensing matters Havant Borough Council (“the Licensing Authority”) must have regard to the three licensing objectives set out in the Gambling Act 2005 (“the Act”). These licensing objectives are:
- preventing gambling from being a source of crime or disorder, being associated with crime or disorder or being used to support crime;
 - ensuring that gambling is conducted in a fair and open way; and
 - protecting children and other vulnerable persons from being harmed or exploited by gambling (“The Licensing Objectives”).
- 1.2 For the purposes of interpreting these objectives:
- the term “disorder” is interpreted as meaning an activity that is more serious and disruptive than mere nuisance;
 - reference to “vulnerable persons” includes people who gamble more than they want to, people who gamble beyond their means and people who may not be able to make informed or balanced decisions about gambling due to a mental impairment, alcohol and/or drugs; and
 - the phrase “harmed or exploited by gambling” can mean preventing children and vulnerable people from taking part in or being in close proximity to gambling and controlling advertising so that gambling products are not aimed at vulnerable people or advertised in such a way that makes them particularly attractive to such people.
- 1.3 The licensing authority shall aim to permit the use of the premises for gambling as set out in s.153 of the Act.

2 Introduction

2.1 Duration of Statement

- 2.1.1 This statement of principles is the Licensing Authority’s published policy for the purposes of the Act. This revision was approved at a meeting of Full Council on 13 December 2017 and will remain in force until 31 January 2019.
- 2.1.2 This policy will be applied in the exercise of the Licensing Authority’s functions under the Act during that period.
- 2.1.3 The policy may be reviewed from time to time and, in the light of any such review, it may be revised. Any such revision will be subject to consultation and publication before it takes effect.

2.5 Declaration

2.5.1 In producing this licensing policy statement, the Licensing Authority declares that it has had regard to the Licensing Objectives of the Gambling Act 2005, the guidance issued by the Gambling Commission and any responses received from those consulted on the policy statement.

2.6 Fundamental principles

2.6.1 In carrying out its functions the Licensing Authority will regulate gambling premises in the public interest.

2.6.2 Any application received will be considered on its merits and in accordance with the requirements of the Act.

2.6.3 The Licensing Authority will seek to avoid any duplication with other regulatory regimes so far as possible.

2.6.4 The Licensing Authority recognises that there is a clear separation between the Gambling Act, the Licensing Act 2003 and planning legislation and that gambling licence applications will be viewed independently of applications under the Licensing Act 2003 and planning.

2.6.5 The Licensing Authority will, in particular when considering its functions in relation to applications and enforcement, have regard to the Human Rights Act 1998.

3 Responsible Authorities

3.1 Responsible Authorities - General

3.1.1 The Act specifies various bodies as Responsible Authorities (“Responsible Authorities”). The contact details of all the Responsible Authorities in the area of the Licensing Authority can be found on the Council’s website at <http://www.havant.gov.uk/licensing-information>

3.1.2 The Responsible Authorities must be notified of applications in relation to Premises Licences and are entitled to make representations in relation to them.

3.2 Responsible Authority - Protection of Children from harm

3.2.1 In exercising the Licensing Authority’s powers under section 157(h) of the Act to designate, in writing, a body competent to advise the Licensing Authority about protection of children from harm the following principles are applied:

- the need for the body to be responsible for an area covering the whole of the licensing authority’s area;

- the need for the body to be answerable to democratically elected persons, rather than any particular vested interest group; and
- whether the body has experience in relation to protection of children issues.

3.2.2 The Licensing Authority designates Havant Children Services for the purpose of providing advice about protection of children from harm.

4 Interested parties

4.1 Interested Parties – General

4.1.1 Section 158 of the Act identifies various categories of person who may be Interested Parties (“Interested Parties”) in relation to an application for or in respect of a Premises Licence, namely a person who in the opinion of the Licensing Authority:

- lives sufficiently close to the premises to be likely to be affected by the authorised activities;
- has business interests that might be affected by the authorised activities; or
- represents persons who satisfy either of the two sub-paragraphs above. Interested parties can make representations about licence applications or apply for a review of an existing licence.

4.1.2 Interested parties can make representations about licence applications or apply for a review of an existing licence.

4.2 Interested Parties – Principles relating to determination

4.2.1 The Licensing Authority will apply various principles to determine whether a person is an Interested Party.

4.2.2 The Licensing Authority will consider each situation on its merits.

4.2.3 In determining whether a person lives “sufficiently close to the premises”, the Licensing Authority will have regard to such of the following factors as it considers appropriate to the circumstances:

- the size of the premises
- the nature of the premises
- the distance of the premises from the location of the person making the representation
- what might, in the opinion of the Licensing Authority, be reasonably regarded as a potential impact of the premises (this might for example be influenced by the anticipated number of customers, routes likely to be taken by those visiting the premises etc)
- the nature of the complainant. This is not meant to cover the personal characteristics of the complainant, but the interest of the complainant where they may be relevant to the distance from the premises. For example, the Licensing Authority is likely to apply a wider interpretation to the meaning of “sufficiently close” where the complainant provides

services attended by children or vulnerable adults; and such other factors as it considers are relevant.

4.2.4 In determining whether a business interest is “likely to be affected”, the Licensing Authority will have regard to such of the following factors as it considers appropriate to the circumstances:

- the size of the premises
- the “catchment” area of the premises (i.e. how far people travel to visit);
- the nature of the business that it is suggested might be affected
- such other factors as it considers are relevant.

4.2.5 In determining whether a person is regarded as representing a person in either of the other two Interested Party categories, the Licensing Authority in particular considers that the following may fall within this category:

- Members of Parliament or Elected Councillors;
- Residents’ and tenants’ associations; and
- Trade unions and trade associations

4.2.6 The Licensing Authority will not necessarily consider a person as representing one of the other categories of Interested Party unless the person can demonstrate:

- that they have specifically been requested in writing to represent that person and/or business in relation to the submission of the representation; and/or
- that, in the case of a body, it represents a significant number of persons that have made submission with regard to the representation.

Interested parties may also be represented by other persons such as Councillors, MPs etc. Care should be taken when approaching Councillors that they are not part of the Licensing Committee dealing with the licence application. If there are any doubts then please contact the Licensing Officer on (02392) 446653 for advice.

5 Responsible Authorities and Interested Parties

5.1 Responsible Authorities and Interested Parties - representations

5.1.1 Representation made by a Responsible Authority or Interested Party, which is not withdrawn, will normally result in a hearing taking place.

5.1.2 In certain circumstances however, a hearing need not take place. For example, where the Licensing Authority consider that the representation:

- is vexatious;
- is frivolous; or
- will certainly not influence the authority’s determination of the application.

6 Disclosure / Exchange of Information

6.1 Exchange of Information – General

6.1.1 The Act, and other legislation such as the Data Protection Act 1998 and the Freedom of Information Act 2000, places various statutory duties and responsibilities upon the Licensing Authority in relation to the exchange and disclosure of information that is available to it.

6.2 Exchange/Disclosure of Information – principles

6.2.1 The Licensing Authority will comply with all statutory duties imposed upon it, which require it to disclose information, subject always to any legislative restrictions that impact upon any such requirement.

6.2.2 Where the Licensing Authority has discretion as to whether or not information may be disclosed/exchanged it will in particular normally have regard to the following principles:

- any request that is received for the disclosure of information will be considered on its merits having regard to any general statutory principles that might apply;
- upon receipt of a request for any exchange or disclosure, information will not normally be withheld where it is considered by the Licensing Authority that this may aid in the promotion of the licensing objectives, and does not unacceptably conflict with other factors which the Licensing Authority considers as being of relevance to it; and
- the Licensing Authority may also provide information available to it, whether a request has been received or not, if it considers it may aid in the promotion of the licensing objectives, and does not unacceptably conflict with other factors as identified above.

6.2.3 Where representations are received in relation to any function being exercised by the Licensing Authority under the Act, those representations will normally be disclosed to an extent that the Licensing Authority considers reasonable in the circumstances. In particular, in making this assessment, the Licensing Authority will have regard to the interests of natural justice and Article 6 of the Convention on Human Rights. Information will not be disclosed where statute expressly prevents its disclosure.

6.2.4 In so far as the law allows, the Licensing Authority generally favours full disclosure of all relevant representations made in relation to an application that it is considering under the Act.

6.2.5 The Licensing Authority in carrying out its duties will have full regard to the provisions of the Data Protection Act 1998 and the Freedom Of Information Act 2000.

6.2.6 Where the law allows, a data subject for the purposes of the above legislation may require and be entitled to information that is held by the Licensing Authority. Some of this information may be accessible via the Licensing Authority's website and registers that the Licensing Authority is obliged to keep

under the Act. Where this is not the case, then a request for such data should be made in writing addressed to the Licensing Services Section of the Licensing Authority.

7 Enforcement

7.1 Enforcement – General

7.1.1 The Act provides various bodies including the Licensing Authority with power to authorise persons to undertake inspections for a variety of purposes. Furthermore the Licensing Authority has the capacity to instigate criminal proceedings for various offences that are specified within the Act.

7.1.2 The Gambling Commission will be the enforcement body for the operator and personal licences it issues and also the manufacture, supply or repair of gaming machines.

7.2 Inspections and instituting criminal proceedings – principles

7.2.1 In considering whether to undertake an inspection of a premises, the Licensing Authority will in particular have regard to the following principles:

- when considering whether to undertake any inspection each situation will be considered on its merits;
- that the Licensing Authority will not usually undertake an inspection unless it is considered relevant for the purposes of an application or actual or potential enforcement issue;
- in the case of enforcement action generally, we will act having given due consideration to any enforcement policy adopted by Havant Borough Council (as may be amended from time to time) and the Regulatory Compliance Code that is current at that time (if any); and
- that it will exercise its responsibilities in relation to inspections having regard to the further principles set out below.

7.2.2 In considering whether to exercise its powers in relation to the institution of criminal proceedings in the Act, the Licensing Authority will in particular normally have regard to the following principles:

- each case will be considered on merits;
- in so far as it may be relevant to the assessment, whether the Licensing Authority has acted in accordance with any enforcement policy of Havant Borough Council and the Regulatory Compliance Code referred to above;
- whether the instigation of criminal proceedings accords with the Code for Crown Prosecutors current at that time (if any); and
- in so far as it may be relevant to the assessment, that it will undertake proceedings in accordance with the principles set out below.

7.2.3 The principles referred to in the paragraphs are that the Licensing Authority will, in so far as it is appropriate, be:

- proportionate:- intervention only when necessary: remedies should be appropriate to the risk posed, and costs identified and minimised.
- accountable:- decisions must be justified, and subject to public scrutiny.
- consistent:- rules and standards must be joined up and implemented fairly
- transparent:- regulators should be open and keep regulations simple and user friendly; and
- targeted:- focused on the problem, and minimise side effects.

7.3 Carrying out enforcement responsibilities – risk

7.3.1 In carrying out its enforcement responsibilities, the Licensing Authority will normally adopt a risk-based inspection programme based on:

- the licensing objectives
- relevant codes of practice
- guidance issued by the Gambling Commission
- the principles set out in this statement of licensing policy.

7.3.2 Criteria that may normally contribute to an assessment to determine the level of risk that applies to a premises are:

- the size of the premises;
- the proximity of the premises to identified vulnerable persons;
- whether any complaints are received in relation to the premises and, if so, the nature and number of complaints that are considered relevant;
- information submitted from relevant persons or bodies; and
- such other factors as the particular circumstances of the individual situation warrant.

PART B – SPECIFIC FUNCTIONS

9 Premises Licences

9.1 Fundamental principles applying to Premises Licences

- 9.1.1 Premises licences will be subject to the requirements set out in the Gambling Act 2005 and Regulations, as well as specific mandatory and default conditions which will be detailed in Regulations issued by the Secretary of State. Licensing Authorities can exclude default conditions and also attach others, where it is believed to be appropriate.
- 9.1.2 In considering an application for a premises licence no regard will be had as to whether there is unfulfilled demand for the facilities for the premises licence that is sought.
- 9.1.3 As it does not relate to a licensing objective, moral objections to gambling will not be regarded as a valid reason to reject an application for a premises licence.
- 9.1.4 In exercising its functions in relation to Premises Licences, the Licensing Authority will aim to permit the use of premises for gambling in so far as the Licensing Authority thinks it:
- in accordance with any relevant Code of Practice issued by the Gambling Commission;
 - in accordance with any relevant guidance issued by the Gambling Commission;
 - reasonably consistent with the Licensing Objectives (subject to the two sub-paragraphs above); and
 - in accordance with this Statement (subject to the three sub-paragraphs above).

9.2 Premises Licence – Definition of Premises.

- 9.2.1 For the purposes of the Act, the term “premises” is defined as including “any place”. (NB: A premises licence may not be issued in relation to a vehicle, or part of a vehicle)
- 9.2.2 The Act provides that different premises licences cannot apply in respect of single premises at different times, e.g. premises could not be licensed as a bingo hall on weekdays and a betting shop at weekends.
- 9.2.3 Whilst premises is defined in the Act as “any place” it is for the Licensing Authority to decide whether different parts of a building can be reasonably regarded as being separate premises. In considering applications for multiple licences for a building or those for a specific part of the building to be licensed the Licensing Authority will take particular note of the following:

- the third licensing objective seeks to protect children from being harmed by gambling. In practice that means not only preventing them from taking part in gambling, but also that they are not permitted to be in close proximity to gambling. Therefore, premises should be configured so that children are not invited to participate in, have accidental access to, or closely observe gambling, where they are prohibited from participating.
- entrances and exits from parts of a building covered by one or more licences should be separate and identifiable so that the separation of different premises is not compromised and that people do not 'drift' into a gambling area. In this context, it should normally be possible to access the premises without going through another licensed premises or premises with a permit.
- customers should be able to participate in the activity named on the premises licence.

9.3 Premises Licence - Decision Making

9.3.1 In making a determination in respect of a Premises Licence, the Licensing Authority cannot have regard to irrelevant matters i.e. those that do not relate to gambling and the Licensing Objectives. Therefore, issues relating to whether a planning permission or building regulations may or may not be granted are not relevant to the determination. Section 210 of the 2005 Act prevents licensing authorities taking into account the likelihood of the proposal by the applicant obtaining planning or building consent when considering a premises licence application. Equally the grant of a gambling premises licence does not prejudice or prevent any action that may be appropriate under the law relating to planning or building.

9.3.2 The Licensing Authority will seek to avoid duplication with other statutory/regulatory systems where possible. It will though, listen to, and consider carefully, any concerns about conditions, which are not able to be met by licensee's due to planning restrictions, should such a situation arise.

9.3.3 Whilst each application will be considered on its merits, factors to which the Licensing Authority may in particular have regard when determining an application include:

- proximity of gambling premises to properties regularly frequented by vulnerable persons;
- the suitability of the premises for gambling in the context of the licensing objectives;
- the type of gambling that is proposed at the premises;
- any information provided by the applicant showing how it is proposed to overcome any licensing objective concerns; and
- whether any relevant objections to an application could be addressed using one or more conditions

9.3.4 In circumstances where the Licensing Authority proposes to attach or reject conditions as part of a decision it will give reasons as required by the Act.

Reasons will also be given if the Licensing Authority determines to reject an application.

9.4 Local Risk assessment

9.4.1 From 6 April 2016, it is a requirement of the Gambling Commission's Licence Conditions and Codes of Practice (LCCP), under Section 10, for licensees to assess the local risks to the licensing objectives posed by the provisions of gambling facilities at each of their premises, and have policies, procedures and control measures to mitigate those risks. In undertaking their risk assessments, they must take into account relevant matters identified in this policy statement.

9.4.2 The LCCP say that licensees must review (and update as necessary) their local risk assessments:

- to take account of significant changes in local circumstances, including those identified in this policy statement;
- when there are significant changes at a licensee's premises that may affect their mitigation of local risks;
- when applying for a variation of a premises licence; and
- in any case, undertake a local risk assessment when applying for a new premises licence.

9.4.3 The council will expect the local risk assessment to consider as a minimum:

- the location of services for children such as schools, playgrounds, leisure/community centres and other areas where children will gather;
- the demographics of the area in relation to vulnerable groups;
- whether the premises is in an area subject to high levels of crime and/or disorder.

9.4.4 Local risk assessments should show how vulnerable people, including people with gambling dependencies are protected.

9.4.5 It should be noted that this policy does not preclude any application being made and each application will be decided on its merits, with the onus upon the applicant showing how potential concerns can be overcome.

9.5 Local area profile

9.5.1 There is no statutory duty on the Licensing Authority to complete an area profile but there are significant benefits in having a better awareness of the local area and risks. The weblinks given below provide a range of information on the local environment which should be taken into account by applicants.
<http://dclgapps.communities.gov.uk/imd/idmap.html>
<http://www.nomisweb.co.uk/>

9.6 Premises Licence – Conditions

9.6.1 Mandatory Conditions: The Act may by regulations provide for a specified condition to be attached to premises licences. Such conditions may:

- a) apply generally, only to premises licences in a specified class or only in specified circumstances.
- b) make different provision for different classes of licence or for different circumstances.

9.6.2 Default Conditions: The Act may also by regulations prescribe for a specified condition to be attached to any premises licence unless excluded by the authority who issue the licence. Such conditions may:

- a) apply generally, only to premises licences in a specified class or only in specified circumstances.
- b) make different provision for different classes of licence or for different circumstances.

9.6.3 Mandatory and Default conditions that attach to all premises licences are usually sufficient to ensure that the premise is compliant with the licensing objectives. Subject to certain legislative exceptions, power is also available to a Licensing Authority to attach further conditions in addition to those identified above. Further conditions will only be considered where there are regulatory concerns of an exceptional nature and will relate to the licensing objectives. Such conditions may apply in relation to a premises generally or only in relation to a specified part of the premises and will be considered on a case by case basis.

9.6.4 Where a discretion exists, the Licensing Authority will not impose its own Condition on a Premises Licence unless it relates to an issue arising in respect of the gambling proposal.

9.6.5 In exercising a discretion as to whether to impose any further condition, the Licensing Authority will be proportionate to the circumstances being considered.

9.6.6 It is noted that there are conditions the Licensing Authority cannot attach to premises licences, which are:

- any condition on the premises licence which make it impossible to comply with an operating licence condition;
- conditions relating to gaming machine categories, numbers, or method of operation;
- conditions which provide that membership of a club or body be required (the Gambling Act 2005 specifically removes the membership requirement for casino and bingo clubs and this provision prevents it being reinstated);
- conditions in relation to stakes, fees, winning or prizes.

9.7 Premises Licence – reviews

9.7.1 Requests for a review of a premises licence can be made by interested parties or responsible authorities. However, it is for the licensing authority to decide whether the review is to be carried out. This will be on the basis of whether the request for the review is relevant to the matters listed below, as well as

consideration as to whether the request is frivolous or vexatious will certainly not cause this authority to wish to alter/revoke/suspend the licence, or whether it is substantially the same as previous representations or requests for review:

- in accordance with any relevant code of practice issued by the Gambling Commission
- in accordance with any relevant guidance issued by the Gambling Commission
- reasonably consistent with the licensing objectives and
- in accordance with the authority's statement of licensing policy.

9.7.2 Whilst the Licensing Authority recognises the importance of the right of responsible authorities' and 'interested parties' to request reviews of premises licences, the Licensing Authority would expect a reasonable interval between hearings for the same premises, and unless exceptional and compelling circumstances existed, would not hold a repeat hearing within 12 months.

9.7.3 The licensing authority can also initiate a review of a licence on the basis of any reason which it thinks is appropriate.

2. An Unlicensed Family Entertainment Centre which allows gaming machines to be made available for use by means of gaming machine permits, as opposed to a premises licence. These permits could be for an unlimited number of Category D gaming machines only.

14.2 Betting Premises - Miscellaneous

14.2.1 By virtue of a Betting Premises Licence the holder may, subject to certain restrictions, make available for use up to four gaming machines of category B2 to D.

- location of entry to premises
- numbers, locations and wording of signage/notices/rules
- self barring schemes
- specific opening hours
- provision of information leaflets/help line numbers for organisations such as GamCare

- proof of age schemes.

14.3.2 It should be noted that this list is not mandatory, nor exhaustive, and is merely indicative of example measures

14.3.3 In addition to the above and other relevant factors, the Licensing Authority in having regard to the licensing objectives will normally, when making a decision, have regard to the size of the premises, the counter positions available for person to person transactions and the ability of staff to monitor the use of machines.

14.3.4 As part of the powers available to the Licensing Authority in relation to the imposition of conditions, the Licensing Authority may attach conditions restricting the number of betting machines, their nature and circumstances in which they are made available.

15.2.3 Children and young persons are permitted to enter track areas where facilities for betting are provided on days when dog-racing and/or horse racing takes place. But having regard to the need to protect persons under 18 years of age from harm, they should still be prevented from entering areas where gaming machines (other than category D machines) are provided.

15.3 Tracks – Decision Making

15.3.1 In recognition of the extant guidance on this matter, the Licensing Authority will normally require detailed plans of the premises showing the following information:

- location of gaming machines

16.3.1 Section 204 provides for a person to make an application to the licensing authority for a provisional statement in respect of premises that he or she

- expects to be constructed
- expects to be altered
- expects to acquire a right to occupy

16.3.2 Once the premises are constructed, altered or acquired, the holder of a provisional statement can return to the Licensing Authority and apply for the necessary premises licence. It is a question of fact and degree whether premises are finished to the extent that they can be considered for a premises licence.

16.3.3 Following the grant of a provisional statement and on application for a premises licence, no further representations from relevant authorities or interested parties can be taken into account:

- unless they concern matters which could not have been addressed at the provisional statement stage; or
- in the authority's opinion, they reflect a change in the applicant's circumstances.

16.3.4 The Licensing Authority may refuse the premises licence (or grant it on terms different to those attached to the provisional statement) only by reference to matters:

- which could not have been raised by objectors at the provisional statement stage; or
- which in the authority's opinion reflect a change in the operator's circumstances.

16.3.5 The Licensing Authority will not have regard to whether or not a proposal by the applicant is likely to receive planning permission or obtain building regulations approval.

18.1.4 This Licensing Authority considers that such 'relevant matters' will be decided on a case by case basis but generally there will be regard to the need to protect children and vulnerable persons from being harmed or exploited by gambling. We will expect the applicant to satisfy us that there will be sufficient measures in place to ensure that persons under the age of 18 years do not have access to the adult only gaming machines. Measures which will satisfy this authority may include:

- the adult gaming machines being in sight of the bar, or in sight of staff who will monitor that the machines are not being used by persons under the age of 18 years

20.4 Club Gaming Permits/Club Machine Permits - Decision Making

20.4.1 The Licensing Authority cannot attach conditions to either of these permits.

21.3 Temporary Use Notices – Decision Making

21.3.1 Where an objection has been received in relation to a Temporary Use Notice, if the Licensing Authority considers that it should not have effect or should have effect only with modification, the Licensing Authority may give a counter-notice.

21.3.2 A counter notice providing that a Temporary Use Notice will not take effect will be given by the Licensing Authority where the notice would contravene the maximum number of days available for a set of premises.

21.3.3 The counter-notice can prevent the Temporary Use Notice from having effect or may limit the Notice in other various prescribed ways.
